

CONCESSION INFO

CONCESSION PHONE # 822-1595

The answering machine is checked at 4pm daily.

1. I am estimating 5-6 shifts per family. I will be starting the schedules with those who were not assigned a 6th shift last year so that the same ones will not be assigned 6 shifts every year.
2. The scheduling will be done in the same format as last year with the schedules out 2-3 weeks before their start date.
3. You are welcome to trade your shift with another parent, BUT PLEASE call the concession and let them know.
4. You are welcome to buyout your shift at a cost of \$35.00, however you must give the concession supervisors a minimum of 48 hours notice. The cost of buying out shifts has increased from last year because the cost of covering the shifts has risen (ex: minimum wage having increased).
5. There is a one-time option for a buy-out of all concession shifts for the year. This buy-out costs \$250 and MUST occur at registration and will not be accepted after. This buy-out is for concession shifts only and other fundraising is still required.
6. If you don't show up for your shift and haven't made alternate arrangements or if you give less than 48 hours notice, you will be billed \$50.00.
7. If you buyout your shift or if you are billed for a missed shift, please pay as soon as you get the invoice. MMH has to pay the person who covered your shift. Many people found it was convenient to pay for their buyouts at the concession. You are welcome to do that or to wait for an invoice.
8. If your shift is cancelled by the concession, your name will be put on the list for the third schedule, using those names first.
9. NO ONE IS ALLOWED TO EAT IN THE CANTEEN WHILE WORKING.
10. You are allowed to have a beverage, BUT YOU MUST PAY FOR IT. (In previous years, coffee was free but some people don't drink coffee and wanted a soft drink or something else...we are not able to do this)
11. The concession shifts are as follows:
MON TO FRI: 5-8 and 8-11 SAT & SUN: 8-11, 11-2, 2-5, 5-8, 8-11
