Evaluations are for any division, Novice and up, Male and Female, that will have more than one team in that division. It will be to either tier the teams of that division or to make equal teams in that division. Where there is only enough players to make one team in a division, Those players will not be part of the evaluations.

As part of the evaluation process, the evaluation committee reserves the right to use the evaluation numbers to identify players whose performances have been dominant either offensively or defensively. These players will taken out of any further evaluation sessions so we may more effectively determine the remaining players strengths/weaknesses. This could be done at any of the age levels and at any time throughout the evaluation process.

All teams final rosters will be on the Morden Minor Hockey website by Sunday, October 5th at 8:00p.m.
